Warwickshire

Healthwatch Warwickshire ran a survey to understand Carers wellbeing needs. Warwickshire County Council now want to know what services YOU need to support you in your caring role

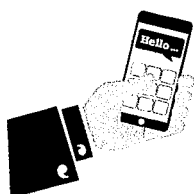

Get involved by...

1) Answer 7 questions about what you need from services and tell us what can be improved. Scan the QR code or call us to request a paper copy of the questions

2) Join our friendly and informal online focus groups to discuss the feedback from the questions to try and solve some of the issues raised

When: 8th Nov at 6.30pm and 11th Nov at 10am
Via: Zoom

To book a place on the focus group:-
